# An Icon of the East End

Rich history, baroque architecture, and blank canvas event spaces; Christ Church Spitalfields offers all ingredients for a high-profile event at an iconic London landmark.

Completed in 1729 and designed by leading architect Nicholas Hawksmoor, this magnificently restored baroque masterpiece offers you the best of both worlds - historic architecture and grand interiors, with modern facilities and production capabilities.

# The Crypt

# The Crypt

A cornerstone of Nicholas Hawksmoor's architectural gem, the lower-level Crypt was built along with the church in 1729.

Contrary to what the name might suggest, this surprisingly light and airy space has been recently re-designed to incorporate the historic stone foundations of the original structure with modern light oak panelling and heating.

With soundproof folding walls, it can be used as one large reception space or split into two compact conference rooms.

Ideal for: in conjunction with the Nave for After Dinner DJ & Dancing, Drinks Receptions, meetings.
